

## PYRGOS MELISSOURGOU

Aria starts a remarkable collaboration with one of the most beautiful areas of the Southern Suburbs, Melissourgou Tower. One of the most historic private homes in Greece that are still maintained in excellent condition, just a 1,000 meters from the sea in 60 acres of privately owned land with wonderful view. The small old private church serves weddings and baptisms in the area which can easily accommodate over 600 people sitting and over 1000 for cocktails. In addition, the property has a covered area of 525 sq.m. with a tent that can accommodate an event of 350-500 people.

We spent a whole day and learned all the secrets of the Tower. We set up many different scenes in its gardens, in unexplored corners. Mr. George welcomed us with a big smile. We spread out our kitchen utensils, we cooked, we ate, we took care of our own people, even Irianna put the stone oven on and we baked kneaded bread. And it was delicious.

And Sotiris Tsakanikas was there, next to us, to straighten us, to set us up, to correct us, and to photograph us, of course! We had a wonderful time! May we have a good start!
